

Kingswear Parish Council

NOTICE IS HEREBY SERVED

Mooring WC16

Boat (including mast and boom) is not displaying a valid Kingswear Parish Council permit and therefore must be removed as soon as possible. As of the 5th August 2024 the owner of this boat on Waterhead Creek 16 has not made contact.

This notice is placed on the Council noticeboards and website to advise that the craft has been formally identified as being abandoned. If all reasonable steps taken to trace the owner have been unsuccessful within four weeks, a final notice will be placed on the boat, with the intended date of its removal.

The Council will then either sell, scrap or otherwise remove the boat, mast and boom as seen fit and appropriate.

Thank you.

Clerk to Kingswear Parish Council
