

## **Covid**

Both South Hams and Devon County continue to have grants that have been passed down by Central Government to help families and businesses.

Unfortunately some are still falling through, if you know of anyone who needs help or advice, please contact Rose, Hilary or I and we will do all we can to help.

Covid Compliant Officers are continuing to visit businesses offering help and advice.

## **Devon Homes/ Holiday let's.**

If anyone knows of any one who is breaking these Covid regulations please inform the Police. Like wise, if you know of any businesses breaking the Covid regulations please report this to South Hams.

## **Schools**

Schools remain closed except for certain families from Core services etc.

Free school lunches are available through schools and these will be available through the half term holiday and again at Easter.

Devon County Children's Services are also there to support families.

## **Recycling Centres remain ope**

### **Leisure Centres**

Today I had a meeting with Officers from Fusion, South Hams Districts leisure Contractor and it is hoped they may be able to open in April

Fingers crossed

## **Dartmouth and District Health Health and Well-being Centre**

It was today announced that a contractor has been selected and work on site will start in April with it opening hopefully in spring 2022

## **Climate Change**

Devon Carbon plan to be discussed later

## **Budgets**

Both South Hams and Counties will be decided this month

Just a few items

County is to increase
