

Cllr Hawkins Report

COVID

Both South Hams and Devon County have schemes and grants available for the business and families

These can be found on their websites and are easily accessible to those who are eligible

If you hear of anyone who needs help or advice please let them know we are there to help

At a recent Torbay and South Devon NHS Trust it was reported that they had 38 cases on Covid in their hospitals at Torbay and Brixham

This is over 10 more than in the first wave

The Nightingale hospital at Exeter is ready if required

Dartmouth and Kingswear are very lucky to have Dartmouth Caring, Community Chest and Food Bank all providing help to residents

Highways

Resurfacing works at Higher Contour Rd, Mount Ridley have been completed

A few issues had to be addressed and the yellow lines at the junction with Lower Contour will be put in soon

Resident Parking

The request on the estimate of the proposal has been chased a number of times and was raised at HATOC last week

Hopefully we will have it soon

Beacon Road

Hopefully there will be positive movements soon

Welcome to Kingswear Safe Drivers sign.

The Chairman's suggestion of a new sign at the entrance to the village near the Cemetery I am happy to offer £500 toward this

Recycling Centres

These will remain open during the current wave as will public transport

Health and Wellbeing Centre

This is expected to come to Development Management in December

Planned opening date autumn 2022

Leisure Centres

Sadly due to the current lock down these have had to close again, but will be ready for a fast reopening when we are given permission
